SUBJECT 1978 Fishin' Mission

Well, the Fifth Annual Fishin' Mission Expedition is upon us (June 2 - 11) and all the Valued Fishermen Certificates have been returned. The response has been overwhelming and we have 17 confirmations of attendance.

The questionnaire did prove one thing - 17 people can't agree on anything! Therefore - sweatshirts will have to wait until the Sixth Annual and everyone will be responsible for their own food. I suppose that is the best way since now you can eat as "high on the hog" as your budget will let you (save some bucks for the big town).

One thing I would appreciate a response on though. Please drop me a note as to who you are coming with, when you expect to arrive, and what equipment you will be bringing. This will help us to insure we set aside enough room for all the campstoves, lanterns, cars, trucks, etc..

The chairmen (Steve and Myself) will arrive Friday, June 2, at high-noon in order to stake a claim. We will have the casino tent this year so bring cards, chips, dice cups, etc.. The house dice will go down!

The waters high, the snow is white (bring warm clothes) the fish are bitin', lunkers will be caught -

See you there!
