SUBJECT 8th Annual Fishin' Mission

Damn - I held off as long as possible hoping someone else would take care of this trash, but obviously - for the eighth consecutive year - it is my true displeasure to request your attendance at what has come to be known as "THE QUEST FOR THE ELUSIVE 8 POUNDER".

I'm sick of it - but you turkeys don't care - you want to hear all the good news, such as the list of activities planned:

- 1) Daily Horseshoe Competition (unless Beef charges rental on the shoes)
- 2) Daily Dart Competition (for those who think horseshoes are too heavy)
- 3) Basketball (if you don't mind half court without a net)
- 4) Golf (if you don't mind driving to Bishop - and thats a hell of a drive! Get it?)
- 5) Nightly Casino Tent Action (if we find someone to bring the tent and find sixteen others to set it up)
- 6) Trips to Cedar Tavern, Big Town, Carson City, Topaz Lake (last chance) are all a possibility -
- 7) Fishing if you have time.

You all want to hear special announcements such as:

- 1) BT and I will not even avail ourselves as your personal drones this year - so group up any way that's comfortable for cooking, sleeping, etc.
- 2) An attempt is being made to prepare a scrapbook of "Fishin' Mission Memoirs" prior to this years trip. If you have photos from previous trips that you can date, please mail them with your response. We are especially light for the first four years, so dig deep!

- 4) Yes the Annual "BIG FISH" Trophy will be there!
- 5) Sunday Night - May 31, 1981, Chili Night
